

# Rome Grange Farmers Market

**Fridays 3-7 p.m. June 7- September 27, 2024**

The Rome Grange, located on Mt. Baker Highway 7 miles east of I-5, is a wonderful 105-year old facility available for daily rent- we have a kitchen, large hall with a gorgeous dance floor, stage and outside grounds perfectly suited for events such as sales, fund-raisers and more. For those who don't know, Granges are a rural social organization whose primary mission is to promote agricultural-community interests.

**In keeping with our mission, the Rome Grange is again hosting a summer Farmers Market from 3-7 p.m. each Friday between June 7 and September 27.**

If you run a farm, or have some rural cottage industry that would fit into a farmers market, we would love to have you participate. Our location on the Mt. Baker Highway is high-visibility, easily accessible, with lots of traffic and potential customers. Applications are being taken, and the fee this year ranges from \$10 to \$20 per day, with NO gross percentage fee, so participation is low risk, and potentially high-gain.

**If you are interested in participating , please contact:**
